

WQM 2019 MEN'S* RETREAT BIG BEAR CAMP MARCH 8, 9 & 10

We come together worshipfully and joyfully to celebrate our fellowship as Quaker men* living in a tumultuous secular society.

We will talk over questions of what we must consider in facing the outside world and witnessing to our deeper faith in higher order.

We also take time to get to know one another and eat, work and play together in and outside on this beautiful wooded property.

A light evening meal will be available when you arrive (anytime after 4pm). We initially gather at 8:30 pm or so on Friday evening which will include a brief worship, orientation to the camp, introductions and a general discussion of the weekend's program.

Suggested cost is \$95 for the entire weekend. Additional donations gratefully accepted.

Quakers* and fellow travelers* are welcome. No one should decline coming due to finances. Scholarships are available. Just register and come, we'll figure it out.

We have a voluntary outside work party on Saturday afternoon, so bring suitable outdoor (read: waterproof) gear, along with sleeping bag (cots provided in onsite yurts), flashlight and personal toiletries.

Big Bear Camp is off the grid, no WiFi, very limited electricity and very poor or non-existent cell phone coverage.

Big Bear Camp, 89480 Nelson Mountain Road, Walton, OR 97490
