Ministry & Oversight. Previous Minutes speak of a proposal regarding Clerks of Monthly Meeting's Ministry and Oversight Committees being automatically on Quarterly Meeting's Ministry and Oversight Committee. Most Meetings have not yet considered this proposal. Another possibility is for a Monthly Meeting to designate some other person with Ministry and Oversight experience to be their representative on Quarterly Meeting Ministry & Oversight Committee. We will continue to season the question.

Clerk. Friends expressed contentment with having each host meeting's presiding Clerk act as clerk for Quarterly Meeting.

Meeting ended in Worship.
