

MT HOOD KIWANIS CAMP PACKING & PLANNING

WELCOME! Thank you for your interest in Mt. Hood Kiwanis Camp. Each summer, for over 80 years, MHKC has partnered with the U.S. Forest Service to provide individuals with disabilities an outstanding overnight recreational opportunity in the Mt. Hood National Forest. One of the largest programs of its kind in the U.S., each season MHKC offers a unique opportunity for more than 500 campers ages 10 to 55 to experience the outdoors in its fully accessible 22-acre campsite. Despite cognitive, developmental or physical disabilities including Autism, Down syndrome, Traumatic Brain Injury, and Cerebral Palsy, our campers enjoy recreational activities adapted to their special needs -- adventure courses, fishing, hiking, horseback riding, canoeing, cookouts, arts and crafts, swimming, dances, and river rafting.

Mt. Hood Kiwanis Camp has provided more than 16,000 campers with the magic of camp. Thanks to this life-changing experience, our campers' quality of life has improved, along with their personal growth in communications, self-esteem, social skills, sense of achievement and independence. One of our campers, Renae, put it this way: "Because of you for a week I can forget my limits and pain and be free. You can never know what you give me... Thank you for caring about those who are different."

During the off season months, we open our historic facilities to rental groups and share Mt. Hood Kiwanis Camp. We appreciate your concern and care for our buildings, surroundings, and equipment. With your help, we can ensure that Mt. Hood Kiwanis Camp serves the public for years to come.

The material in this packet is provided for your information and safety. Please let us know if you need any additional information by contacting the Onsite Camp Host at 503-272-3467 or the Portland camp office at 503-452-7416.
